

Tooth Defenders Anthem

*Ran to the mirror 'bout a quarter to three
Had to see what was there, where my smile oughta be
Opened my lips – what did I see?
2 rows of pearly beauties, what a lucky me!*

*My Teeth – I love em yeah that's what I said
Teeth – the brightest thing in my head
My teeth – and if I want to keep em that way
I gotta brush those babies at least twice a day*

*My teeth – you gotta admit they're awesome
Teeth – to keep em that way I floss em
Teeth – gonna floss em every day
They're shiny and they're bright and I'd like em to stay.*

*Give good oral health a whirl
And you'll never be too shy to give your lip a curl
When you smile everyone stops to stare
Cuz they see you're makin' visits to the dentist's chair*

*My teeth – The brightest things you've ever seen
Teeth – Shining 'cause they're sparkling clean
My teeth – you gotta limit those sticky snacks
If you wanna stay away from the plaque attacks*

*Give good oral health a try
And you'll dazzle them all with a brilliant smile
And a secret you should know
Healthy teeth 'n gums help keep you healthy from tooth to toe.*

*My teeth – the brightest things you've ever seen
Teeth – Shining 'cause they're sparkling clean
My teeth – I brush em every day
They're shiny and they're bright and I'd like em to stay*

Placulus Song

*I loathe this city! It's too clean and neat
But soon these teeth will crumble in the street
Sticky sweets and soda will help spread my decay*

*That's what I call a fabulous day
That's what we call a fabulous day*

*My plaque will consume!
And Cavities will loom
There'll be nothing to see but decay and doom
Please don't brush or floss so I can spread my decay*

*That's what I call a fabulous day
That's what we call a fabulous day!*

*Your shiny Tooth City we will attack
We'll make your tooth buildings
Grow hollow then crack!
Goopy plaque acid will spread my decay*

*That's what I call a fabulous day
That's what we call a fabulous day!*
